

TENKEY Antenna System

	TK-YG2418B 18 dBi Yagi Antenna	

Features:

- Horizontal or Vertical Polarization
- Low Profile with one piece aeronautic technology design
- Low Wind Loading
- Rugged Outdoor Construction
- SMA-F connector 60 cm directly connect to standard AP save the pigtail cost (optional TNC)
- Light Weight
- Includes mounting hardware
- High Performance

Technical Specifications:

Model	TK-YG2418B
Material	Aluminium alloy with cooper ring using aeronautic desing concept.
Place of orgin	Bandung (East Java)
Gain	18 dBi
Frequency Range (VSWR < 1.5:1)	2.4 -24835 GHz
VSWR	≅ 1,5
Polarization	Circular
Beam width Horizontal/Vertical	30°H /36°V
Weight	249 gram Light weigh
Maximum Power Input	100 Watts
VSWR	< 1.5 : 1
Connector	SMA-Female with 60 cm tail (JAHT, ENCORE compatible) TNC (Linksys, DLINK) by your choice
Dimension	85 Cm x 8.2 cm x 8 cm
Number of Elements	20+ring Total 21 element
Impedance	50 Ohm
Packing	White Box
Application	RT/RW Net WiFi within 2-3.5 km distance
